HEY BOOMERS!

Five fabulosemic years of
Sonic the Comic appear
to have zoomed by.

Quintess! Still I remain as youthful as ever,
while the hums continue to age (between
you and me, they've got more lines than a
school bank!). Anyway, it's time to give
your best read a stirring round of applause
as we tell the celebrations begin!

STC's gone the whole hog with a
heavenly 17 PAGES starring Sonic in a
special celebratory Shmoozies story. The
best of the show starts in not one, not two,
but **THREE SONIC EPISODES!**

Guaranteed further fiction all the way with

Rubennik as he strikes even lower than before!

There's also a treat on the Paper
front - the first half of a fabulous Buddies
and Baddies Poster (Sonic encounters
some old foes in next issue - yes, before!)

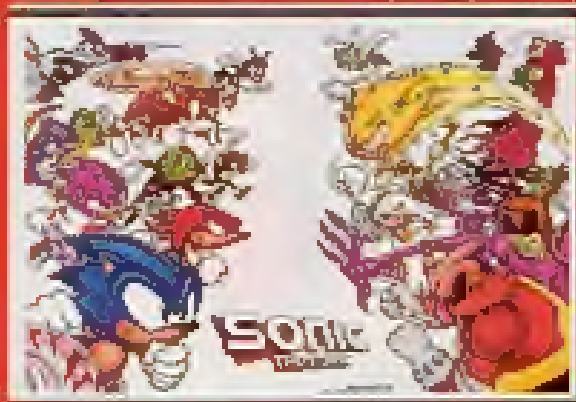

Late arrivals to the party are
Decap Attack it's five years since

Professor Frank N Stein created Chuck and
Frank, however, you're finding it difficult to
wish them a Happy Birthday. Plus, as always
your own mean, mean talent has been put to
good use in the Graphic Zone - this time to
the tune of Party Dudes.

That's enough from me - enjoy this
special Birthday issue and a mega huge
thank you to Boomers old and new. May I
congratulate you on your impossible feat!

Megadroid

POSTER PRECISION!

You asked for a gathering of
the gang, which is why in the
centre-spread you'll find the
first half of your collectable
Sonic's Buddies and Baddies
Poster (friends this issue, foes
the next!).

Simply detach the
centre-spread and store in a
safe place until those mean,
mischievous menages appear
in all their gory for
the second half,
in STC 131.

DISCUSSION

Dear Megadroid,

As you're the coolest droid this side of the galaxy... thought you might be up for printing my poem..

Charmy is barmy
Vector's a bright spark
Take care not to meet a Badnik in the dark
Tekno's technical
Amy is pink
If you smelled Robotnik's underwear
I'm sure it would stink.

**Edward Taylor,
Helms on Spalding Moor, York.
Enamel Badge Prize Winner.**

Hopefully, will never know for certain. Ed!

Send your e-mail messages to:
slc@spmant.co.uk
to save the trouble your credit card (or debit) biller. If you prefer to use a postcard.

CHERRY'S CHIRPS

Dear Megadroid

I've been wondering whether Doctor Robotnik actually has any friends?
**Katharine Baker,
Sudbury, Suffolk.
Enamel Badge Prize Winner.**

Sorry, no idea, Katherine! The final part of this issue's Showdown story will give you your answer.

BIRTH OF A DROID

Dear STC,

I think the idea of Megadroid introducing the comic and answering letters is fabblo. I would like to find out who the hunk is who came up with the idea of hiring Megadroid? Peace man!
**Kevin Newton,
Timperley, Cheshire.
GG, MD owner
Enamel Badge Prize winner.**

Megadroid was the brain (droid) of it all - a brilliant creation as chief whip Richard Burton (no, not the Welsh one!)

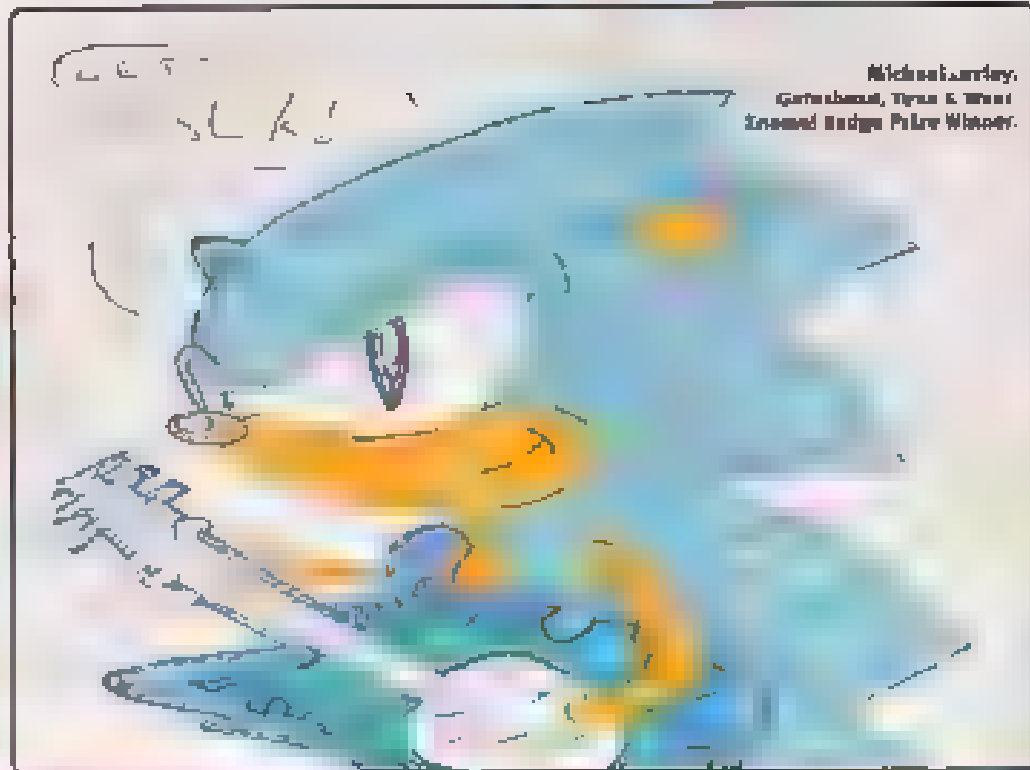

LETTERS

Dear Megadroid,

Please could you make a Pin-up with Doctor Robotnik and his evil ponies. Most of the artwork focuses on the good stuff so artwork starring just the baddies would make a good change.
Yours Booming hopefully,
**Lee Jones,
Burton-on-Trent, Staffs.
Saturn owner.
Enamel Badge Prize Winner.**

The second half of the pin-terrific poster features the doc, plus his evil enemies and... our art.

**Michael Lantry,
Gateshead, Tyne & Wear
Enamel Badge Prize Winner.**
